PORTLAND, Ore., April 9.—The first shipment of really good rhubarb reached the city today, and it is selling at from 5 to 6 cents a pound. The stuff came from Beaverton, where great quantities are grown. The rhubarb seen on the market for the past few weeks for the most part came from California, and shipping long distances has the effect of wilting the stuff. The local output now coming into market is of first-class quality.

## Doing Business Again.

"When my friends thought I was about to take leave of this world, on account of indigestion, nervousness and general debility," writes A. A. Chisholm, Treadwell, N. Y., "and when it looked as if there was no hope left, I was persuaded to try Electric Bitters, and I rejoice to say that they are curing me. I am now doing business again as of old, and a mistle gaiting day." Best tonic medicine on earth. Guaranteed by Chas. Rogers, Druggist, 50 c.

## EUREKA!

Yes, I Have Found it at Last. Found what? Why that Chamberlain's Salve cures Eczema and all manner of itching of the skin. I have been a victim for many years with a skin disease. I had to get up three or four times every night and wash with cold water to allay the terrible itching, but since using this salve in December, 1905, the itching has stopped and has not troubled me.—Elder John T. Ongley, Rootville, P. For sale by Frank Hart and leading druggists.

## NEWSY ITEMS FROM WARRENTON

WARRENTON PEOPLE VISIT ASTORIA, J. W. DETRICH BUILDING A FIVE ROOM HOUSE IN O'HARA'S ADDITION.

Mr. D. S. Halferty, Miss Nellie Halferty, Mrs. Reddick, Mrs. Cummings, Mrs. Wheeler and Miss Cora Macoon were among the passengers that boarded the train for Astoria at Warrenton Depot Monday.

John W. Detrich, the contractor, actually walked into the business district of this city after 7 p. m. last evening. The natives were greatly surprised to meet him at so late an hour and on inquiring learned he was so busy building a five roomed house in O'Hara's addition, West Warrenton, that he had not been able to attend to other business during regular work hours.

Sam Shepherd today forsook his regular occupation, as tallyman, to superintend the removal of his furniture and effects from Warren's Hall to a house on Main St.

Mr. Jacob Duff of Portland stepped off the Seaside train to change for Fort Stevens, as requested by the conductor, the local soon arrived, switched exchanged cars at both mills, turned one point of the Y and instead of coming back on the opposite side of the depot, went full ahead, towards Fort Stevens, leaving the gentleman named, standing bewildered, alongside the track with his railroad ticket in his pocket, which he afterwards forfeited for a tie pass.

Mr. Duff carried a mandolin with him on his forward march, evidently he is an adherent to the proverb "Music hath charms."

## The Price of Health.

"The price of health in a malarious district is just 25 cents; the cost of a box of Dr. King's New Life Pills," writes Ella Clayton of N. Y., "Ark. New Life Pills cleanse gently and impart new life and vigor to the system. 25c. Satisfaction guaranteed at Chas. Rogers, Druggist."

## PURELY BUSINESS MATTER.

President C. M. Levey, And Party in The City To Meet Owners.

President C. M. Levey, of the Astoria & Columbia River Railroad Company, arrived here yesterday at 11:35 a. m. in his private car, attached to the Portland express. They came solely, and only to meet the stockholders of the road, at the annual meeting of the latter, billed for the city at this time.

In conversation with an Astorian reporter, Mr. Levey said the trip had no significance beyond this and was made necessary by the arrangement made heretofore to hold the annual meeting in this city. He, himself, may return here on matters connected with the new organization of the official staff in this city, in the course of another week.

The second floor of the Bond street building where the A. & C. holds forth looks like a circus break-up with the litter of boxes and bundles incident to the removal of the auditing department to Portland tomorrow morning. Mr. Jenkins, the new general freight agent of the road, was with the party yesterday, and will return here for good, very shortly.

## SHIP-YARD INSIGHT.

J. Lindstrom, of Aberdeen, Coming To Astoria In This Behalf.

Manager J. H. Whyte, of the Astoria Chamber of Commerce, is in receipt of a letter from the master ship-builder of the Gray's Harbor industry, announcing his intention of coming to Astoria very shortly to over look the chances that may be here for the installation of a first-class ship-building plant in this harbor.

It seems that someone has written him from here, offering him a site for such a plant, at \$35,000, a figure infinitely beyond the needs of a concern of that kind, and Mr. Lindstrom desires to get in touch with the people here and see for himself just what facilities are available.

It is quite probable that if he comes and opens up such an industry it will bring from 100 to 150 more mechanics to the city and aside from the prestige of having such an establishment here, the advantage of such an access of trained workmen, is too palpable to debate. It is likely he will have a score of men out in the woods looking up and working knee-timbers for his contracts and in all ways the accession of such an investment here will be of infinite value to the community and let it hoped to the investor.

## APPEARANCES

Often a person is sized up by his appearance; by the tone that surrounds him. And more often a business house is sized up by the stationary it uses. A cheap letter head or a poor bill head gives a mighty poor first impression and makes business harder to transact. Good printing costs no more than poor printing. The first impression is half the battle in business. You wouldn't employ a "sloppy" salesman; why put up with "sloppy" stationery, that gives a wrong impression of the importance of your business. Let us do your printing and help you to make that ten strike.
